CommerceIQ

Ally^{AI} Sales Teammate

Your always-on AI partner to drive growth, stay ahead of risks & accelerate decision-making

CommerceIQ's **Ally^{AI} Sales Teammate** is a purpose-built AI teammate for sales teams that helps identify risks, unlock opportunities and keep execution aligned to goals across retailers. Powered by unified data, Ally^{AI} Sales Teammate translates fragmented POS, shelf and media data into prioritized, prescriptive actions for sales growth.

Whether you're pacing behind plan, struggling to connect investment to outcomes or managing chaotic performance swings, Ally^{AI} Sales Teammate gives you the insights and levers you need before your business is impacted.

Key features:

- **One-click reporting:** Generate PowerPoint, Excel or flexible dashboard reports directly from CommerceIQ with a single click
- **Gap to plan:** Understand over or under performance relative to sales goals
- **Automated root cause analysis:** Uncover the inputs that are driving sales underperformance
- **SKU deep dive:** Break down what's lagging by SKU, brand or category in real time
- **Gap to plan recommendations:** Identify specific actions to make up the sales gap through retail media, availability & content

Proven impact with Ally^{AI} Sales Teammate:

- Free up hours of manual work through AI-powered automation
- Deliver faster, presentation ready insights across sales, media & shelf data
- Improve performance with role-specific intelligence & actionable recommendations
- Reduce reporting time by half
- Drive a 2x increase in iROAS
- Improve product organic rank by 40% and drive organic sales growth

Why choose Ally^{AI} Sales Teammate?

Sales teams no longer have to chase data or guess what's driving results. Ally^{AI} Sales Teammate connects the dots—unifying data, diagnosing issues and prescribing next steps so you can hit your number, every time.
